

ETHICS GRAND ROUNDS

Tuesday, May 10, 2016, South Campus
D1.602, Noon–1:00, McDermott Plaza Lecture Hall

RESEARCHERS BEHAVING BADLY: UNREPORTED MISCONDUCT IN CLINICAL TRIALS

CHARLES SEIFE, MS

Professor

Department of Journalism

Division of Medical Ethics

New York University

Every year the Food and Drug Administration inspects several hundred clinical sites performing biomedical research on human subjects. These inspections occasionally reveal evidence of substantial departures from good clinical practice, of research misconduct, and even of fraud. In this talk, Professor Seife will discuss incidents of research misconduct identified by the FDA (and via other means) and examine how frequently these incidents are reported in peer-reviewed journals, and whether unreported incidents are a potential distorting influence on the medical literature. Professor Seife will also examine the forces which are responsible for the frequent failure of research misconduct – even widespread misconduct – to come to the attention of scientists and clinicians.

Ethics Grand Rounds Videos are available a few days after the lecture at:

Target Audience: Physicians, faculty, residents, fellows, trainees, students, health care professionals. **Educational Objectives:** At the conclusion of this activity, the participant should be able to: 1) Recognize perennial and emerging bioethical problems in clinical practice, research, public health, and health policy arenas. 2) Describe competing/contrasting viewpoints concerning these bioethical problems. 3) Demonstrate increased skills in analyzing and practically handling bioethical problems in the clinical, research, public health, and health policy arenas. **Educational Method:** Lecture and question-and-answer period. **Accreditation:** The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Credit Designation:** The University of Texas Southwestern Medical Center designates this live activity for a maximum of **1 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The University of Texas Southwestern Medical Center designates this activity for **1 hour(s)** in medical ethics and/or professional responsibility. **Conflict of Interest:** All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity. **Off-Label Uses:** Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentation. Speakers have been requested to inform the audience when off-label use is discussed.
