DALLAS -- Dr. Charles F. Gregory, W.B. Carrell Scottish Rite Professor, Chairman, Division of Orthopedic Surgery, University of Texas (Southwestern) Medical School at Dallas, was re-elected president of the American Board of Orthopaedic Surgery at its annual meeting in Chicago, Illinois, this month.

The American Board of Orthopaedic Surgery, in conjunction with the Council on Medical Education of the American Medical Association, maintains a list of approved post-graduate educational programs in orthopedics.

The Board also annually reviews and examines candidates for certification. Successful candidates then become Diplomates of the American Board of Orthopaedic Surgery.
