DALLAS — February 16, 1995 — Dallas attorney Robert S. Strauss and his wife, Helen, both graduates of The University of Texas at Austin, have donated \$50,000 to UT Southwestern Medical Center at Dallas to fund medical research. The gift will be matched through UT Southwestern's Fund for Molecular Research.

"This generous gift will be of great importance in advancing our research and clinical program," said Dr. Kern Wildenthal, president of UT Southwestern. "It is an honor to have received this vote of confidence from the Strauss family."

A native of Stamford, Texas, Strauss earned his law degree from UT Austin in 1946 and is a senior partner in the law firm of Akin, Gump, Strauss, Hauer & Feld.
