Dr. George Moushegian, adjunct professor of physiology at The University of Texas Health Science Center at Dallas, has been elected president of the North Texas Chapter of the Society for Neuroscience.

Other officers include Dr. John Hitt, vice-president, and Dr. George Gerken, treasurer. Named to the executive council were Dr. Robert M. Lebovitz, assistant professor of physiology at the Health Science Center, Dr. Donnel F. Johns and Dr. Vern Cox. Dr. Lebovitz will serve as chairman.

In its first year of existence, members of the group heard six outstanding speakers, gave several lectures to the Skyline Science Club, and participated in the annual Texas Science Fair, said Dr. Moushegian.
