*****Guest lecturer on "Carcinoma
of the Breast" at UTHSCD.

DALLAS--International consultant in radiation therapy Dr. Juan A. del Regata will lecture on "Carcinoma of the Breast" Tuesday, July 18, at 3 p.m. in Richardson Lecture Hall, D1.502, at The University of Texas Health Science Center at Dallas.

The professor emeritus in radiation therapy at South Florida College of Medicine is known as the "father" of radiation therapy in the United States. Del Regata is author of the textbook Cancer: Diagnosis, Treatment and Prognosis.

Del Regata serves as trustee and historian of the American Board of Radiology and consultant for the VA Hospital Systems. He is a fellow of the American College of Radiology and past president of the American Society of Therapeutic Radiologists and the American Radium Society.

The guest lecturer is sponsored by the Division of Radiation Oncology of UTHSCD.
