****Expert on Meniere's disease presents seminar at UTHSCD.**

DALLAS--A nationally recognized expert on ear disease will present a continuing education seminar for physicians as visiting professor at The University of Texas Health Science Center at Dallas Oct. 29 from 8 a.m. till 5 p.m. in Room D1.200.

Dr. Michael M. Paparella, professor and chairman of the Department of Otolaryngology at the University of Minnesota, Minneapolis, will present a lecture on Meniere's disease at 8:40 a.m. followed by a case presentation and panel discussion. The panel will be moderated by Dr. William L. Meyerhoff, chairman of the Department of Otorhinolaryngology at UTHSCD.

At 2:30 p.m. Paparella will present "Pre-operative, Operative and Post-operative Considerations for a Dry Mastoid Bowl." A panel discussion on chronic otitis media moderated by Dr. Robert G. Anderson, assistant professor of Otorhinolaryngology will follow.

The Visiting Professor in Otorhinolaryngology is sponsored by the department, the Claude D. Winborn Memorial Lectureship and the Donald A. Corgill Memorial Fund.

The meeting is approved for seven credit hours in Category 1 of the Physician's Recognition Award of the American Medical Association.

For registration information contact Gale Quilter at 214/688-2166.
