THE UNIVERSITY OF TEXAS
(SOUTHWESTERN)
MEDICAL SCHOOL AT DALLAS

BOB FENLEY, DIRECTOR OF INFORMATION

JOHN WEEKS, ASSOCIATE DIRECTOR

DALLAS--Dr. S. Edward Sulkin, professor and chairman of microbiology at The University of Texas (Southwestern) Medical School at Dallas, has been appointed to a second one-year term as consultant to the National Cancer Institute.

Dr. Sulkin will continue in his role as advisor to a task force of scientists exploring the role of viruses in cancer, meeting periodically with the team to evaluate progress in this important area of cancer research.

The appointment, effective Aug. 11, was announced by Dr. Carl G. Baker, director of the institute, cancer research-ordinating component of the National Institutes of Health.
