******Dr. Albert D. Roberts joins UTHSCD as
associate dean for Clinical Affairs.*

Dr. Albert D. Roberts has joined The University of Texas Health Science Center at Dallas as associate dean for Clinical Affairs and professor of Internal Medicine.

A graduate of UT Southwestern Medical School, Dr. Roberts had been in private practice in Dallas for 15 years, specializing in internal medicine and nephrology. He was a National Institutes of Health fellow in internal medicine at Southwestern and chief medical resident at Parkland Memorial Hospital.

Dr. Roberts served as captain in the Medical Corps of the U.S. Army and received the Commendation Medal in 1959. He is currently on the attending physician staffs of Parkland, the Veterans Administration Hospital and Baylor University Medical Center.

He has authored numerous papers on internal medicine and is a member of several organizations, including the American College of Physicians, Alpha Omega Alpha, the American Federation of Clinical Research and the International Society of Nephrology.
