DALLAS--Dr. Dave Daly, professor of Neurology at The University of Texas Southwestern Medical School, has departed for Europe where he will participate in three major conferences.

The first, World Electroencephalographic Congress, was held in Marseilles Sept. 1-7. Dr. Daly was also a delegate of the American EEG Society to the International Federation of EEG and Clinical Neurophysiology.

Subsequently, he was to go to Barcelona to chair a joint symposium of the World Epilepsy Congress and the World Neurology Congress. Subject of the symposium was to be "Clinical Pharmacology of Anti-Epileptic Drugs."
