

ETHICS GRAND ROUNDS

Tuesday, January 13, 2015 South Campus
D1.602, Noon–1:00, McDermott Plaza Lecture Hall

THE DISCLOSURE DILEMMA: WHEN ADVERSE EVENTS AFFECT MULTIPLE PATIENTS

DENISE M. DUDZINSKI, PhD, MTS

Acting Chair, Professor & Director of Graduate Studies

Department of Bioethics & Humanities

University of Washington School of Medicine

Imagine that endoscopes had not been properly processed for a period of several months. Once discovered, the problem is immediately corrected, but patients scoped during those months are more likely to have been exposed to bloodborne pathogens. Should the hospital disclose this adverse event to affected patients, even though the majority are unlikely to have been harmed? This presentation will explore the ethical and practical dimensions of this question by examining several cases.

Ethics Grand Rounds Videos are available a few days after the lecture at:

Target Audience: Physicians, faculty, residents, fellows, trainees, students, health care professionals. **Educational Objectives:** At the conclusion of this activity, the participant should be able to: 1) Recognize perennial and emerging bioethical problems in clinical practice, research, public health, and health policy arenas. 2) Describe competing/contrasting viewpoints concerning these bioethical problems. 3) Demonstrate increased skills in analyzing and practically handling bioethical problems in the clinical, research, public health, and health policy arenas. **Educational Method:** Lecture and question-and-answer period. **Accreditation:** The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Credit Designation:** The University of Texas Southwestern Medical Center designates this live activity for a maximum of **1 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The University of Texas Southwestern Medical Center designates this activity for **1 hour(s)** in medical ethics and/or professional responsibility. **Conflict of Interest:** All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity. **Off-Label Uses:** Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentation. Speakers have been requested to inform the audience when off-label use is discussed.
