******Meeting scheduled for friends of the
medical library.*

DALLAS--Examination of past and future roles of the Friends of the Medical Library organization will be presented at a Friday, Feb. 25 meeting at The University of Texas Health Science Center here.

Dr. Robert Sparkman will present some exhibits and discuss the history of the group which is dedicated to assisting the medical library in the Florence Bioinformation Center on the UTHSCD campus. The facility serves as a central resource for medical school libraries in a five-state region.

Dr. Charles Tandy will present some plans and predictions for the future at the meeting which will begin at 6:30 p.m. in the Harris Faculty Alumni Center.

Information about the meeting may be obtained from Library Administration at 688-3519, according to Director Don Hendricks.
