NEWS ITEMS, SOUTHWESTERN MEDICAL SCHOOL OF THE UNIVERSITY OF TEXAS

The United States Public Health Service has awarded a grant of \$13,296.00 to Dr. Andres Goth, Professor of Pharmacology, for a two-year tissue metabolic study in experimental hypersensitivity.

A weekly program of highly reviewed medical motion is being made available to students and staff.

During the past month Dr. E. E. Muirhead, Professor of Pathology, has presented a series of lectures at the Veterans Administration Hospitals in Tucson, Phoenix, and Whipple, Arizona.

Members of the faculty and students of the medical school will be active participants in the Spring Conference of the Dallas Southern Clinical Society on March 17-20, 1952. Guest speakers will include:

- Dr. Jason P. Sanders, President of the American Academy of General Practice
- " Arthur W. Allen, Consultant at Massachusetts General Hospital
- " Walter P. Blount, Orthopaedic Surgeon at Milwaukee Children's Hospital
- " Wm. B. Castle, Professor of Medicine at Harvard University
