******Seventh Annual Graduate Student Research
Forum to be held at UTHSCD April 24.*

DALLAS--Dr. Donald P. Warwick, project manager of the United Nations-funded Study of Cultural Values and Population Policy, will be speaker for the Seventh Annual Graduate Student Research Forum at The University of Texas Health Science Center at Dallas Thursday, April 24 at 2 p.m. The social psychologist will address assembled faculty and students on "Population Control: Science and Human Values" in the north lecture room on the lower level of the new plaza.

Six students will present their papers at the 2 p.m. event, sponsored by Sigma Xi. They will include Reagan H. Andrews, Clinical Psychology, "Placebo Effects in EMG Biofeedback;" Steven C. Crayton, Physiology, "Circulatory Responses to Iso-metric exercise and the Stimulation of Receptors in Muscle by Capsaicin;" Lucy L. Fan, Biochemistry, "Studies on Microsomal 12-and 11-Hydroxylation of Lauric Acid Using a New High Pressure Liquid Chromatography Technique;" Kathryn B. Horwitz, Physiology, "Progesterone Receptors in Human Breast Cancer;" Kent Keeton, Pharmacology, "Characterization of the Short-Loop Angiotensin Feedback Mechanism Suppressing Renin Release;" and Michael L. Vasil, Microbiology, "Genetic Mapping of a Chromosomal Gene Determining Production of Enterotoxin in *Vibrio cholerae*."

Faculty sponsors are Drs. Daniel Logan, Jere H. Mitchell, Bettie Sue Masters, C.K. Wildenthal, William L. McGuire, William A. Pettinger, Richard A. Finkelstein and Randall K. Holmes.

The population control study is a joint project of the Institute of Society, Ethics and the Life Sciences of Hastings-on-Hudson, New York with the Social Research Center of the American University of Cairo; Instituto Mexicano de Estudios Sociales of Mexico City, Ateneo de Manila, Institute of Philippine Culture and Dr. Kivuto Ndeti and colleagues of the University of Nairobi in Kenya.

A professor of sociology on leave from York University, Toronto, Canada, Dr. Warwick also serves as advisor to the Mexican office of the United Nations Fund for Population Activities.

He formerly was chairman of the Department of Sociology and Anthropology and director of the Program on Organizational Studies at the York Institute of Behavioral Research. Dr. Warwick has also served as director of Comparative International Studies Program, Departments of Social Relations and Sociology at Harvard.
