MEDICAL SCHOOL

May 1973

Dear Alumnus:

Last February the Board of Directors of your Alumni Association voted to establish a fund to be called the Anne Rucker Alumni Summer Student Fellowship Fund which would provide money for talented and deserving students at Southwestern to pursue some particular medical project during the summer months. Thus far, a total of 21 Alumni have contributed \$2,045.00, and pledged \$2,455.00 more. So that while we are off to a good start, we are far short of the potential we hope to reach. Please make your pledge to this fund both as a tribute to Miss Rucker as well as to the furtherance of excellent medical education at our school.

Sincerely,

John E. Eisenlohr, M.D.
President

The Annual Reunion and banquet was held at the Statler Hilton Hotel and over 200 joined together to have a good time and think over old times. Miss Anne Rucker was honored by the Association for her long time services with the school. She was presented a plaque commemorating the Fellowships and a string of pearls. Below is her thank you letter to all of you.

4-13-73

Dear Alums:

What better time to express my appreciation than on Friday the thirteenth because what happened to me on March 12 seems too good to be true and the bubble hasn't burst yet. I'm wearing my pearls, the plaque hangs on the wall, and all's right with my world anyway!

That was a generous thing you did to dig in and come up with funds for fellowships for students. May the fund grow and go on forever. Medical students have a tough life these days - don't even have money for haircuts or clean blue jeans or shoes! Seriously, some of them are having as

Calvin F. Bishop, M.D. '53, is now completing his 19th year with the Navy Medical Corps. He is presently chief of the Laboratory Service at the Naval Regional Medical Center and Naval Hospital in San Diego.

James A. Hall, M.D. '61, recently conducted a seminar on "Hypnotism" at the Jung Center in Houston Texas. Dr. Hall is a diplomate of the C. G. Jung Institute, Zurich and he has won several awards for his work in the area of hypnosis.

Robert R. Surratt, M.D. '44, was honored by the American College of Radiology when he was recently named a Fellow. Dr. Surratt is affiliated with Mississippi State Hospital in Whitfield and Madison General Hospital in Canton.

A. D. Nelson, Jr., M.D. '44 writes that he would have liked to attend the recent function of the Association, but just couldn't make it from a Naval Base located in a remote part of southwestern Spain. Maybe next year.

Maurice S. Berbary, M.D. '48, Brunny and Jeff are in the Canal Zone where he has been the Command Surgeon, US Armed Forces, Southern Command. He has the management of all medical resources organic to the US Forces in the Canal Zone.

Carl A. Bunde, Ph.D., M.D. '48, retired last year from Richardson-Merrell, Inc. and became a self employed consultant in Medical Research and you guessed it! his first client was Richardson-Merrell, Inc.

Robert L. Carr, M.D. '51 has been in practice in Lubbock since 1954. He was president of Lubbock-Crosby-Garza County Medical Society in 1968-1969. He is on the Medical Advisory Board for development of Texas Tech Medical School and plans to teach some. He is a charter member of National Society for Adolescent Medicine, a field that has become very attractive to him in recent years.

hard a time financially as you did and for those this summer learning - earning opportunity will make a big difference in boost to morale. They'll know their big brothers haven't forgotten how it was.

For myself for the honor and for them for your generosity I say "Bless you!"

My love to all of you,

Anne Rucker
