******Well-known plastic surgeon to visit
UTHSCD March 28-30.*

Dr. Robert McCormack, chairman of the Division of Plastic Surgery at The University of Rochester School of Medicine, will visit the health science center March 28-30.

Dr. McCormack, a widely recognized leader in the field of reconstructive surgery, will conduct clinics at Parkland Memorial Hospital and Baylor Medical Center and perform surgery with members of Southwestern's Division of Plastic Surgery on March 28 and 29. He will present pediatric grand rounds at Children's Medical Center at 8:15 a.m. on Wednesday, March 30, in the CMC auditorium.

Dr. McCormack's visit is being sponsored by the educational foundation of the American Society of Plastic and Reconstructive Surgeons.

He has served as president of the American Burn Association, the American Society for Surgery of the Hand, the American Association of Plastic Surgeons and the American Board of Plastic Surgery. He is also a member of the American Surgical Association, the Royal Society of Medicine, the American Association for Surgery of Trauma and the Society of Head and Neck Surgeons.
