The

Correct

Time is 12:14

I should have been

There already

Ten minutes

From

Now

Who knows

When I was there

If I was there

Certainly not

Now

I'm never

At the right place

In the right time or

Even in the right place at

The right time

But wrong

Place

Wrong time

That couldn't be me either

Because two wrongs

Don't make

Me Right

Now

Me

Being  
A double  
Negative makes sense  
Yet being in the wrong time  
At the wrong place  
Would mean  
I'm  
When  
And where  
I'm supposed to be  
But that's not me either  
Who knows  
Where  
Or when  
Or what  
I am  
Or was  
Or will be  
Except for now  
Because I know  
Who  
I am  
Neither  
Here nor there  
Neither now  
Nor then  
If  
I were  
Then

I would

Be

Still

With you

Whoever

You are

Wherever

You are

Whenever
