*****Health Career Day at Health
Science Center

DALLAS--All high school students, teachers and counselors interested in learning more about medically-related vocational opportunities in today's world are invited to participate in Health Career Day at The University of Texas Health Science Center at Dallas February 18.

This event, to be held for the second consecutive year, is sponsored by the center, the Dallas Independent School District and the American Red Cross, Heart Association (Dallas County Chapter), Diabetes Association and Lung Association (Texas). More than 25 different careers in health-related fields will be represented in the program, which will run from 8:30 a.m. to 1 p.m. There is no charge.

Careers to be covered in mini-sessions include the following: Hospital public relations, health-related consumerism, public health, medical art and photography, exercise physiology, medical technology, veterinary medicine, medical librarianship.

Adaptive physical education, occupational health nursing, social work, respiratory therapy, community nursing, occupational therapy, physical therapy, special counseling for persons with epilepsy, radiologic technology, nutrition and dietetics.

Medical reporting, working with physicians as a physician assistant, rehabilitation counseling, pathology and television news and production.

For information call 214/688-3403.
