DALLAS--Dr. James W. Burleson, assistant professor of Anesthesiology and coordinator of education for the Department of Anesthesiology at The University of Texas Southwestern Medical School, has been elected to the National Academy of Science-National Research Council.

Dr. Burleson recently attended the national conference on standards sponsored by NAS-NRC and presented a position paper on standards for cardiopulmonary resuscitation. He participated in a panel on emergency cardiac care at the meeting, also.

The anesthesiologist is a consultant to the Emergency Cardiac Care Committee of the American Heart Association and a member of the Board of Directors of the Texas Heart Association.
