

NEWS RELEASE

THE UNIVERSITY OF TEXAS SOUTHWESTERN MEDICAL SCHOOL AT DALLAS

FRANK CHAPPELL *Director of Medical Information*

BOB FENLEY *Science News Editor*

Dr. Hugh Edward de Wardener, one of the world's leading authorities on kidney disease, will be the eighth Mr. and Mrs. I. G. Bromberg Memorial Visiting Professor in Medicine at The University of Texas Southwestern Medical School October 20-25.

Dr. De Wardener, Professor in Medicine at Charing Cross Hospital Medical School of the University of London, will present a talk at Grand Rounds Thursday, Oct. 24, entitled "Some Other Observations on Calcium Metabolism in Chronic Renal Failure."

He will also present a technical seminar before Southwestern's Department of Medicine entitled "The Possible Contribution of Transmural Pressure Gradients and an Unidentified Substance in the Control of Sodium Excretion."
