NEWS ITEM - SOUTHWESTERN MEDICAL SCHOOL OF THE UNIVERSITY OF TEXAS

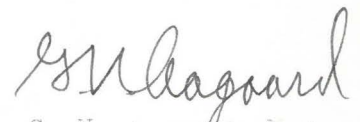

April 4, 1952

Dr. Ralph Coltharp, Clinical Assistant Professor of Neuropsychiatry in Southwestern Medical School of the University of Texas, will attend the meetings of the Group for the Advancement of Psychiatry in Asbury Park, New Jersey, on April 3-6. Dr. Coltharp will participate actively as a member of the Committee on Psychiatric Social Work.

Dr. Arthur Grollman, Professor of Experimental Medicine, will lecture on "Problems in Hypertension" in the postgraduate course of the University of Texas at Houston on April 8.

Dr. Wm. F. Mengert, Professor of Obstetrics and Gynecology, has been attending the 5th American Congress on Obstetrics and Gynecology in Cincinnati, Ohio. Dr. Mengert served as moderator of a panel discussion before the general assembly on "Dystocia."

Dr. Gladys Fashena, Professor of Pediatrics, has been honored by appointment to the Board of Governors of Playtex Research Institute. This Institute, located at Dover, Delaware, was founded by the International Latex Corporation for the support of pediatric research and is directed by a board of eighteen nationally recognized leaders in the field of pediatrics.
