## UT SOUTHWESTERN FACULTY MEMBERS HONORED

DALLAS — May 30, 1996 — Three UT Southwestern Medical Center at Dallas faculty members were recognized recently for outstanding achievement in their fields.

**Dr. Cole Giller**, assistant professor of neurological surgery, received the Cerebrovascular Research Award, presented at the 1996 Cerebral Hemodynamics and Embolism Symposium held recently at the Hyatt Regency Dallas at Reunion. The award was given for the abstract "Estimation of Changes in Vessel Diameter by Use of Weighted Spectral Intensities: Angiographic Verification."

Giller, who received his medical degree from the University of California, Los Angeles, (UCLA) School of Medicine and his doctorate from the University of California, Berkeley, is a North Dallas resident.

**Dr. Richard Mabry**, professor of otorhinolaryngology, has been elected a scientific fellow of the American College of Allergy, Asthma and Immunology.

Mabry, a Duncanville resident, is a graduate of UT Southwestern Medical School and received his undergraduate degree from North Texas State University.

**Dr. Albert D. Roberts**, associate dean for practice development, has been named Laureate of the Texas Academy Chapter of the American College of Physicians (ACP). The award is given to physicians who demonstrate a commitment to excellence in patient care, education or research and service to their communities and the ACP.

time in 1991, successfully combined private practice with the development of medical academic programs at UT Southwestern and other institutions. Roberts initiated the hemodialysis service at Parkland Memorial Hospital.

Roberts earlier educated the public with his "Here's to Your Health" television program, which aired nationally on the Public Broadcasting Service. He has been active in the ACP and is former governor, regent and vice chairman of the ACP board.

Roberts is a Park Cities resident and a graduate of Southern Methodist University and UT Southwestern.
