Dr. Morton D. Prager, professor of surgery and associate professor of biochemistry at The University of Texas Southwestern Medical School, will detail research with the drug L-Asparaginase before alumnae of Sigma Delta Tau sorority at a Wednesday luncheon.

Dr. Prager, a graduate of The University of Texas and Purdue University, has been investigating the action of L-Asparaginase in relation to leukemia and cancer.

The Sigma Delta Tau group has announced that all funds raised this year will be allocated to the medical school for support of this work. The committee for the project is headed by Mrs. Beril Susman and Mrs. Stanley Peskind.

This will be the first fall meeting of the Sigma Delta Tau alumnae and it will be a sherry buffet luncheon in the home of Mrs. Albert Darver at 4317 Bordeaux in Dallas.

New officers elected for the coming year are: Mrs. Gerald Ray, president; Mrs. Peskind and Mrs. Susman, vice presidents; Mrs. Robert Swango, secretary; Mrs. Clifford Seidel, treasurer; Mrs. Darver, pan hellenic delegate; and Mrs. Donald Stahl, alternate delegate.

first add L-Asparaginase

Co-hostesses for the luncheon are Mrs. Martin Schacter, Mrs. Coleman Jacobson, Mrs. Aaron Prengler, Mrs. Richard Lerer, Mrs. Charles Friedman, Mrs. Swango, Mrs. Susman, Mrs. Herbert Weitzman, Mrs. Howard Weinberger, Mrs. David Sikora, Mrs. Gerald Prager and Mrs. Paul Seidel.

New alumnae and all former members are invited to the meeting for which reservations may be made by phoning AD 9-2916.
