southwestern medical school - graduate school of biomedical sciences - school of allied health sciences

January 20, 1977

Contact: Ann Harrell

PRESS MEMO

Family planning and its implications for abortion will be the topic for a noon panel at The University of Texas Health Science Center at Dallas. Panelists who will appear on the program include Stephen Heartwell, Ph.D; Barbara Cambridge, M.S.W; and Carla Dowben, J.D., all from Maternal Health and Family Planning. Also on the program will be Dr. Dan Scott, professor of obstetrics and gynecology at the center and two third-year medical students, one male and one female.
