NEWS ITEM - SOUTHWESTERN MEDICAL SCHOOL OF THE UNIVERSITY OF TEXAS

On October 10, Dean George N. Aagaard of Southwestern Medical School of The University of Texas will attend the meeting in Chicago of the Committee on Medical Motion Pictures of the American Medical Association. Dean Aagaard's membership on this Committee has recently been extended through December 1957.

Dr. Arthur Grollman, Professor and Chairman of the Department of Experimental Medicine, will discuss "Disorders of the Bones from the General Medical Standpoint" at the Mid-Central Assembly of the Association of General Practitioners at Columbus, Ohio, on October 13.

G. N. Aagaard, M.D.  
Dean
