

ETHICS GRAND ROUNDS

Tuesday, April 10, 2018 – 12:00-1:00 p.m.

South Campus, Eugene McDermott Plaza Lecture Halls, D1.602

BIOMEDICAL ETHICS CONSIDERATIONS IN LIMB LOSS AND PROSTHETIC ENABLEMENT

GERASIMOS BASTAS, M.D., PH.D.

Director of Limb Loss Rehabilitation

Assistant Professor of Physical Medicine & Rehabilitation

Vanderbilt University School of Medicine

Chairman of the Limb Restoration Rehabilitation Group

American Congress of Rehabilitation Medicine

This talk explores the biomedical ethics considerations that currently surround limb loss and prosthetic functional enablement. The biomedical ethics consult is re-examined operationally, bringing into focus how aspects of intentionality and current limits of knowledge distill imperatives for overall professional conduct. We will examine i) how to deal with the patient who is requesting the amputation of a healthy limb, ii) how and when an amputation may be proffered as medically advisable, and iii) contextualize emerging amputation procedures and prosthetic technologies.

Ethics Grand Rounds videos are available a few days after the lecture at:

Target Audience: Physicians, faculty, fellows, residents, trainees, students, health care professionals. **Educational Objectives:** At the conclusion of this activity, the participant should be able to: 1) Recognize perennial and emerging bioethical problems in clinical practice, research, public health, and health policy arenas. 2) Describe competing/contrasting viewpoints concerning these bioethical problems. 3) Demonstrate increased skills in analyzing and practically handling bioethical problems in the clinical, research, public health, and health policy arenas. **Educational Method:** Lecture and question-and-answer period. **Accreditation:** The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Credit Designation:** The University of Texas Southwestern Medical Center designates this live activity for a maximum of **1 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The University of Texas Southwestern Medical Center designates this activity for **1 hour(s)** in medical ethics and/or professional responsibility. **Conflict of Interest:** All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity. **Off-Label Uses:** Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be "off-label" use discussed in the presentation. Speakers have been requested to inform the audience when off-label use is discussed.
