THE UNIVERSITY OF TEXAS  
SOUTHWESTERN  
MEDICAL SCHOOL AT DALLAS

BOB FENLEY, DIRECTOR OF INFORMATION

JOHN WEEKS, ASSOCIATE DIRECTOR

Dr. Hal T. Weathersby, professor of anatomy at The University of Texas Southwestern Medical School at Dallas, has been named president of the Anatomical Board of the State of Texas.

Other officers named in a recent meeting in Houston are Dr. Henry Browning, professor of Anatomy, The University of Texas Dental Branch at Houston, vice president; and Dr. Raymond F. Blount, professor of anatomy, The University of Texas Medical Branch at Galveston, secretary treasurer.

The board, whose purpose is to supervise the use of anatomical material in compliance with Texas law, is composed of representatives from the departments of surgery and anatomy of each medical and dental school in Texas

The officers will serve for three years.

MAY 27, 1971
