NEWS ITEMS - SOUTHWESTERN MEDICAL SCHOOL OF THE UNIVERSITY OF TEXAS

Dr. Curtice Rosser, Clinical Professor of Proctology and Chairman of that Division in the Department of Surgery, will attend the annual session of the Southern Surgical Association in Hollywood, Florida, on December 9-11. During the following week he will address the staff of the Gorgas Hospital at Ancon, Canal Zone, and also give a paper on "Diverticulitis" before the Isthmian Medical Society at its regular meeting on Tuesday, December 16. On January 14 Doctor Rosser will present the Collier Martin Oration before the Philadelphia Proctologic Society. His subject will be "Submucous Tumors of the Large Bowel."

During the coming week Dr. Elias Strauss, Clinical Professor of Preventive Medicine and Public Health, will discuss "Pneumonia" at Brooke Army Medical Center at Fort Sam Houston.
