*****Chilton Lecture to be
presented March 2.

DALLAS--Dr. Eugene P. Kennedy of Harvard will deliver the sixth annual Chilton Lecture March 2 at 4 p.m. at The University of Texas Health Science Center at Dallas in the Richardson Lecture Hall (Room D1.502). Kennedy's topic will be "The Metabolism and Function of Membrane Lipids."

The Chilton Lectureship was established by the Chilton Foundation in honor of the late A. L. Chilton, who was interested in obesity and lipids. The lectureship is administered by the Department of Biochemistry. Kennedy will be hosted by Dr. Jack Johnston.
