NEWS ITEM - SOUTHWESTERN MEDICAL SCHOOL OF THE UNIVERSITY OF TEXAS

April 16, 1953

The Sigma Xi Club of Southwestern Medical School of The University of Texas will hold a dinner meeting at the Men's Faculty Club, Atkins Hall at Southern Methodist University, on April 22 at 6:30 p.m. Dr. William Orr Roberts, Superintendent of the High Altitude Observatory of Harvard University and the University of Colorado, located at Boulder, Colorado, will address the club on "Unsolved Problems of the Sun's Atmosphere." Dr. Roberts is making a lecture tour through the Southwest under the sponsorship of the National Lectureship series of the Society of Sigma Xi.
