MEDICAL SCHOOL NAMES NEW FACULTY MEMBERS

DALLAS -- A total of 55 new faculty members have joined the teaching staff of The University of Texas (Southwestern) Medical School at Dallas this fall, Dr. Charles Sprague, dean, announced today.

New faculty members include four senior professors, four associate professors, 28 assistant professors and 19 instructors, Dr. Sprague said.

New full professors are Dr. F. Douglas Lawrason, internal medicine, named associate dean of the medical school for academic affairs; Dr. Harry J. Parker, physical medicine and rehabilitation, and named associate dean of the UTSMS-related School of Allied Health Professions; Dr. Charles S. Petty, forensic sciences and pathology, new county medical examiner; and Dr. Frank Vellios, pathologist.

Joining the faculty as associate professors are Dr. James P. Knochel, internal medicine; Dr. George Mikhail, visiting associate professor of obstetrics and gynecology; Dr. William M. Miller, pediatrics, and Dr. Sam H. Phillips, Jr., surgery.
